ABOUT
McEWEN INDUSTRIES
& HIGHLAND™ POOLS

Highland™ Pools is a division of McEwen Industries, a family owned company that has been a leader in the swimming pool industry since 1991. Our success is rooted in our passion to consistently provide the very best in quality, value and customer service.

McEwen Industries supplies top quality products to the swimming pool industry. We pride ourselves on providing legendary service and our ability to meet the custom demands of every consumer. Our family name is on our company and we offer complete customer satisfaction. We only trade through established and reputable above ground pool dealers nationwide, who provide the highest level of service and customer satisfaction.

To ensure a great experience, everything about our above ground pools is designed from the ground up to exceed your family's expectations in terms of quality and style, and to provide many years of comfort and enjoyment. Your dealer will be happy to meet with you and review all of the options and benefits of owning a Highland™ Pool by McEwen Industries. Your dealer will also assist in all stages of your purchase, from selection to offering professional installation and service. With their support, you will find the perfect pool for your home, budget and backyard oasis.

KEY FEATURES

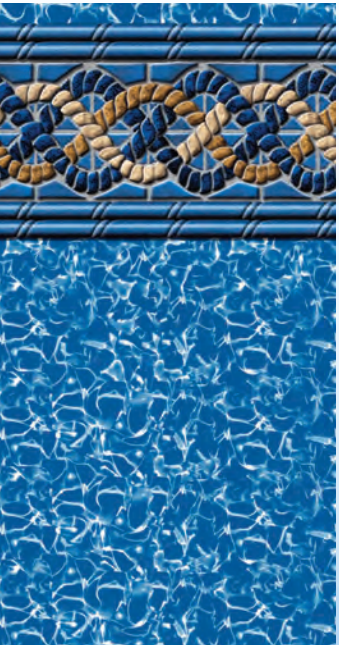

Ridgibond™

Highland™ Above Ground Pools are protected from the elements with our exclusive Nine-Layer Ridgibond™ resin coated wall construction. These protective layers create a weatherproof seal and ensure that you will have many years of outstanding performance.

Above Ground Liners

McEwen Industries features the Sandwick liner pattern with all Highland™ Pools to complement your new backyard oasis.
