

For your protection as a pool owner, it is important that WILBAR keep a record of your purchase and your cooperation in placing the enclosed Safety Labels on your pool per our directions. This record will ensure validity of warranty, and use of the safety labels may protect you against possible legal liability in case of serious injury.

Please take a few moments to fill out the form below and mail or fax it to us. Be sure to make and retain a copy of the completed form for your records in case you require warranted repairs or need another set of free Pool Safety Labels.
