

# SWIM SPA

S E R I E S

# VALHALLA

## Best of both worlds.

The Valhalla is the flagship swim spa in our lineup. Separate swim and spa zones allow you to customize your water temperature settings for the optimum swim session or a relaxing spa experience. The extra-long swim zone provides enough space for two adults to exercise at the same time. Keeps drinks cool with the built-in drink holder and ice bucket. When your workout is done, enjoy the hot tub area that features an ergonomic lounge seat and a generously jetted captain's chair for the ultimate in hydrotherapy.

# ASGARD

## For the serious swimmer.

The Asgard swim spa was designed as the ultimate single zone swim spa. The extra-long swim zone accommodates swimmers of all sizes, and the generous underwater space provides enough room for two adults to workout at the same time. Direct access staircases on both sides provide convenient entry and exit, while three integrated massage seats provide much needed therapy after a long swim.

**SWIM SPA ACCESSORIES**

The swim spa accessories are warranted by the accessory manufacturer and are specifically excluded. Please see the respective product manufacturer's warranty for details.

**WARRANTY PERFORMANCE**

To make a claim under this Warranty, contact the dealer where you purchased your swim spa. You must give your dealer written notice of any warranty claim, along with a copy of your original purchase receipt indicating the date of purchase and the date of delivery, within 30 days of the time you discover the claim.

Except as described herein, you will not be charged for parts or labor for defects covered by this Warranty. The servicing dealer may charge you a trip charge that is not covered by this Warranty. Please contact your dealer for information regarding any such charges. Pre-authorization is required for in-field service and related travel cost where there is no Viking dealer available.
